

REPORT TO COUNTY ASSESSOR BY TOWNSHIP ASSESSOR

State Form 21368 (R5 / 10-01) / Form 14

Prescribed by the Department of Local Government Finance

Personal property located in (township)	County
Taxing district	Assessment date March 1, 20 _____

- INSTRUCTIONS:
1. The number opposite the vehicle class of property refers to the total number of items assessed. The number opposite the boats and boat equipment class of property refers to the total number of boats assessed (a boat and motor = one item). All other numbers refer to the total number of taxpayers assessed. (IC 4-10-13-5)
 2. Part "A" of this form is to be completed and filed with the county assessor by July 31 of each assessment year and should include the assessed value of all returns filed with your office on or before July 1. Part "B" of this form is to be completed and filed with the county assessor by September 30 of each assessment year and should include ANY CHANGES in assessed value made to returns filed with your office by the July 1 deadline for filing as well as any omitted or undervalued assessments discovered between July 1 and September 15 of the assessment year. Part "C" of this form is to be completed and filed with the county assessor by September 30 of each assessment year and should reflect the combined totals of Parts "A" and "B". [IC 6-1-1.1-3-18(a)]
 3. Prepare a separate report for each Taxing District.
 4. The values reported on lines 8 and 9 should not include State Board Distributable Assessments of Railroads and Utilities. These lines are only to include locally assessed personal property from Form 1 - Utility.
